

An aerial photograph of a wooded area with several yellow boundary lines. The largest area is labeled '53/U1'. To its right, a diagonal line separates it from a smaller area labeled '53/I'. Further right, two more diagonal lines separate '53/I' from two smaller areas labeled '53/T' and '53/P'. The terrain is mostly covered in dense green trees, with some cleared areas and a road visible on the left side.
